

SECURITY & LIFE-SAFETY CONTROLLER

KEEPING YOUR FAMILY, PROPERTY AND BUSINESS SAFE AND SOUND

Euro-MERiDIAN is a sophisticated security and life-safety control panel designed to provide protection for people, property and businesses of any size and to offer improved day to day information and control that brings real peace of mind.

Manufactured in the UK to the highest quality standards by the security industry's leading innovator, Euro-MERiDIAN has won numerous Awards including:

- ◆ DTI Smart Award 1999
- ◆ IFSEC Prism of Excellence 2000
- ◆ European Security Industry Innovation Award 2000

Euro-MERiDIAN also meets the exacting demands of the Police Requirements (DD243), and has been designed to meet the requirements of the European Standard EN50131.

Integrated CCTV systems may also be installed to conform to BS8418.

So whatever your requirements are for security and life safety - fire, intruder, CCTV, access control, care and call - Euro-MERiDIAN will meet and exceed them.
