

As required by Article 6 of the R&TTE Directive (1999/5/EC), Inovonics has notified the appropriate spectrum management authority within each Member State of the European Union where they intend to market and sell their commercial grade security products of the test results and conformity to the following standards:

- EN301 489-3(2000)
- EN301 489-3(2000) EMC
- EN300 220 EMC
- EN60950 Safety
- CEPT/ERC recommendation 70-03 Annex 1.

As a result, the Inovonics EchoStream wireless security products have met the requirements for commercialisation in the following countries:

Country	Governing Authority	Website
Austria	Rundfunk und Telekom Regulierungs-GmbH	http://www.rtr.at
Belgium	Belgian Institute of Postal Services and Telecommunications (BIPT)	http://www.bipt.be
Czech Republic	Czech Telecommunication Office	http://www.ctu.cz/index_a.htm
